

**STATEMENT OF CANDIDATE FOR  
CITY OF LINCOLN, COUNCIL MEMBER**

**Spencer Short**

**Occupation:** Incumbent

**Education and Qualifications:** My family has called Lincoln home for three generations. Over the interceding 60 years, Lincoln has grown from a quiet agricultural town to a booming suburban city. As cities grow, they experience change. My mission is to make sure that the hometown aspect of our City remains. We do not want to live in some nameless, characterless dot on a map. We want our City to be different, vibrant, and have significant meaning.

As your Mayor, I am proud to say that I have worked to ensure our hometown is a place that is unique. I have worked to improve the services we enjoy such as a full time fire department and an expanded Library which will open in 2007. I want to continue working for you, citizens and neighbors.

Lincoln stands today at a crossroads. We can continue to progress in a positive and forthright manner or we could see our progress and uniqueness slip away. I want to continue to help guide the future of this City because there is much work to be done. That is why I am asking you for your vote today. Every promise I made, I kept. I want to work for you.
